1	Aberdeen -- Southside Dike/Levee Certification	\$45,098																							
2	Bucoda -- Foundation Flood Openings Pilot																								
3	Bucoda -- Wellhead Protection Levee	\$309,399																							
4	Centralia -- (Phase I) China Creek Floodwater Storage & Habitat																								
5	Chehalis -- Chehalis-Centralia Airport Pump																								
6	Chehalis Tribe -- New Gage (USGS 12028060, Rochester)	\$50,000																							
7	Chehalis Tribe -- Sickman-Ford Overflow Bridge																								
8	Cosmopolis -- Mill Creek Dam																								
9	Elma -- WWTP Outfall Stabilization																								
10	Grays Harbor County -- Phase I, Lower Satsop Restoration & Protection Program																								
11	Grays Harbor County -- Wishkah Road Flood Levee	\$4,980,965																							
12	Hoquiam -- Raymer Street Pump Station																								
13	Lewis County -- Adna Levee	\$244,145																							
14	Lewis County -- (Phase I) Airport Levee	\$1,349,021																							
15	Lewis County -- Airport Road Structure Demolition																								
16	Lewis County -- (Flood Warning System) Reset Flood Authority Gage Datums																								
17	Lewis County -- (Flood Warning System) Replace NWS Gages																								
18	Lewis County -- (Flood Warning System) Replace WF Satsop River Gage																								
19	Lewis County -- (Flood Warning System) Upgrade GOES Radio Transmitters																								
20	Lewis County CD -- Boistfort Valley Water																								
21	Montesano -- Protect Montesano Rd., WWTP, Mary's River Lumber	\$5,993,234																							
22	Montesano -- West McBryde Culvert Replacement																								
23	Montesano -- WWTP Protection																								
24	Pe Ell -- WWTP Flood Prevention Dike	\$416,000																							
25	Thurston County -- Home Elevations Pilot																								
26	Thurston County -- Weather and Stream Monitoring Telemetry																								
27	WCC -- Farm Pads & Evacuation Routes	\$809,418																							
28	Centralia -- (Phase II) China Creek Floodwater Storage & Habitat																								
29	Port of Chehalis -- Berwick Creek Restoration																								
30	Aberdeen -- North Shore Levee (Burger King Trail/Dike)	\$164,600																							
31	Aberdeen -- North Shore Levee (Dike Bank of Wishkah North of Highway)	\$317,000																							
32	Aberdeen -- North Shore Levee (Market Street Dike)	\$670,000																							
33	Bucoda -- Main Street Regrade (BNSF ROW Evacuation Route)																								
34	Chehalis -- Dillenbaugh Creek Culvert Assessment																								
35	Grays Harbor Conservation District -- Flood Hazard Reduction Action Planning																								
36	Grays Harbor County -- Elma-Porter Flood Mitigation																								
37	Grays Harbor County -- Lower Satsop Priority Planning, Visioning																								
38	Grays Harbor County -- Lower Satsop River Floodplain Restoration	\$50,000																							
39	Grays Harbor County -- Wishkah Road Comprehensive Flood Study																								
40	Lewis County (Flood Warning System) -- Gages Inventory																								
41	Lewis County -- Public Information Program (CRS 330, 370)																								
42	Napavine -- Kirkland Road Study																								
43	Oakville -- Flood Relief Study																								
44	Thurston CD -- Innovative Farm Pads																								
45	Thurston County -- Independence Road Flood Study																								
46	WCCSF -- Habitat Work Schedule Pilot																								
47	WDFW -- K1460 Lower Satsop River Design/Construction	\$450,000																							
48	Aberdeen -- Fry Creek Restoration and Flood Reduction Design																								
49	Aberdeen -- North Shore Levee	\$2,775,721																							
50	Chehalis -- Flood Storage and Habitat Enhancement Master Plan																								
51	CRBFCZD -- Comprehensive Flood Hazard Management Plan																								
52	Grays Harbor County -- Phase II, Lower Satsop Restoration & Protection Program																								
53	Hoquiam -- North Shore Levee West Segment																								
54	Aberdeen -- Farragut Street Pump Station Rebuild																								
55	Aberdeen -- Pse IIIa, Fry Creek Restoration & Flood Reduction																								
56	Cosmopolis -- Phase II, Mill Creek Multi -Objective Implementation Plan																								
57	Hoquiam -- 10th Street Pump Station																								
58	Hoquiam -- Queen Ave Pump Station																								
59	LCFCD#1 -- Chehalis Industrial Park Stormwater Management Project																								
60	Lewis County -- Boistfort Road Infrastructure Vulnerability Assessment																								
61	POGH -- Satsop Business Park Chehalis River Bank Stabilization Study																								
62	Aberdeen -- Farragut Street Pump Station Rebuild																								
63	Grays Harbor County -- Phase II, Lower Satsop Restoration & Protection Program																								
64	Hoquiam -- 10th Street Pump Station																								
65	Hoquiam -- Queen Ave Pump Station																								
66	LCFCD#1 -- Chehalis Industrial Park Stormwater Management Project																								

GREEN = Construction complete. [\$33,108,435; 62%]
 ORANGE = Construction in-progress. [\$2,784,479; 5%]
 YELLOW = Construction proposed (2021-23). [\$8,124,609; 15%]

BLUE = Plan/study complete. [\$2,979,965; 6%]
 RED = Plan/study in-progress. [\$4,931,798; 9%]
 GRAY = Plan/study proposed (2021-23). [\$1,485,000; 3%]
