

**CITY OF COSMOPOLIS  
RESOLUTION 2016-05**

---

A **RESOLUTION** setting forth the recommendation of the Mayor and City Council regarding Amendments to the Shoreline Master Program (SMP), to wit:

**WHEREAS**, the City Council reviewed and amended the City of Cosmopolis Shoreline Master Program, updating the document to ensure conformity and compliance with the state Shoreline Management Act (SMA) and related SMP Guidelines (RCW 90.58 and WAC 173-26, respectively), and;

**WHEREAS**, the staff and Citizen Advisory Committee undertook extensive study of the document at regular meetings, special meetings and workshops, in accordance with the City's Public Participation Plan dated March 3, 2014 which was approved by Ecology and received extensive public testimony on the document and maps in accordance with RCW 90.58.130 and;

**WHEREAS**, the City Council held a public hearing on June 29, 2016 and heard testimony on the City of Cosmopolis Shoreline Master Program Revised Draft for Ecology Review dated May 23, 2016, and;

**WHEREAS**, the City Council incorporated changes in the draft SMP based on input from agencies and individuals and finds the Revised Draft for Ecology Review meets the requirements of the state Shoreline Management Act (SMA) and SMP Guidelines (RCW 90.58 and WAC 173-26, respectively).

**Now therefore**, the City Council of the City of Cosmopolis, Washington does hereby resolve:

**Section 1.** The attached draft of the Shoreline Master Program dated May 23, 2016 be forwarded to the Washington State Department of Ecology with a recommendation to adopt it with or without changes as they deem appropriate.

**PASSED AND APPROVED THIS 29<sup>th</sup> DAY OF JUNE, 2016.**
